Re: *Implementation of the Federal Communications Commission's Triennial
Review Order (Ninety Day Proceeding)*
Docket No. 03-00490

Dear Chairman Tate and Directors:

As I indicated at the August 28, 2003 Prehearing Conference in this matter, neither AT&T nor CompSouth on behalf of its members intends to request that the TRA seek a waiver from the FCC of its finding of no impairment for access to unbundled local switching for DS1 loops. The interventions filed on behalf of AT&T and CompSouth on August 27, 2003 were for monitoring purposes to be converted to full participation intervention only in the event that any other CLEC requested that such a proceeding be initiated.

This is to indicate the support of AT&T and CompSouth for the proposed changes to the procedural schedule for the 90-day proceeding suggested by BellSouth and filed with the TRA on this date.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
